

CLEAN CARS, COOLED OFF KIDS AND CASH FOR A CAUSE

The Goddard School of Newtown hosted a car wash Wednesday to support the AJ Foundation, an organization that helps children with autism.

The Goddard School® of Newtown hosted their annual Car Wash Fundraiser Wednesday in support of the AJ Foundation.

Children as young as 1 and campers up to 8 years old helped wash cars for the cause. This was the eighth year for the event.

The AJ Foundation, headquartered in Wycombe, is a nonprofit organization that was formed in January 1997 by family members and friends of children with autism. The mission of the AJ Foundation is to implement and support quality educational services dedicated to improving lives of children with autism.
