

PRESCHOOL TO PRESENT \$5000 DONATION

Tuesday, October 18, 2011

The Tennessee Kidney Foundation received a \$5000 donation Wednesday compliments of The Goddard School located at 1101 Moher Blvd. in the Gateway Village development.

The check represents proceeds from the school's most recent Goddard Gives Back fundraising campaign. The families and faculty of the school all participated in the fundraiser in conjunction with the Nashville City Saver.

"We are all delighted to present this check for \$5000 to The Tennessee Kidney Foundation in honor of our own faculty member, Juanita Malone, who is currently awaiting a kidney transplant," says owner Sue Spissu. "The outpouring of support from our families has been a great learning experience for the children."

The children presented a 'big check' to Kidney Foundation CEO Theresa Davidson as part of a celebration.

The Goddard School, located near the corner of Franklin Road and Lynnwood Way, opened in November 2009. The school accommodates 170 children, ages 6 weeks to Pre-K5. The Goddard School offers a program that focuses on building a strong and balanced foundation of emotional, social, cognitive and physical skills for each child.
