Activities & Events

S.T.E.A.M Team Challenge Day	It Takes TWO Event	SPECIAL GUEST	FARM TO TABLE KIDS	SPLISH SPLASH	Dress up Days
<p>This year, we are excited to include S.T.E.A.M Team Challenge Days into our classrooms. Once a week, the students will be put into small groups and given a challenge to complete. Collaboratively, they must come up with a solution to the problem or a way to complete the challenge.</p>	<p>Calling all parents, grandparents, aunts or uncles! These events include you! This summer, we are challenging our families to get involved and participate in your students learning. Come to an It Takes TWO event and see how much fun learning can be!</p>	<p>Every summer, we try to find new and interesting guests to visit our students. In the past, we have had a Robotics Club, Performing Arts Center, a farmer and his pig, museums and more! We are in the process of planning out this year's SPECIAL GUESTS!</p>	<p>Gardening is a lot of work! Our students will begin to plan, prep, plant, and care for their Goddard Garden in the spring and maintain it throughout the summer. We hope to be able to use some of the vegetables for our snack!</p>	<p>Nothing says summer like sprinklers, slip n' slides, and lots of water!</p> <p>Preschool classrooms will have their Splish Splash days on Tuesday and Friday.</p> <p>Infant and Toddler classrooms will have their Splish Splash days on Wednesday and Thursday.</p> <p>Don't forget your sunscreen!</p>	<p>Our students and teachers LOVE to dress up! This year, we have designed our Dress Up Days to align with our weekly theme! It is time to get creative!</p>
