

THE
GODDARD SCHOOL[®]
FOR EARLY CHILDHOOD DEVELOPMENT

SCHOOL-AGE SUPPORT

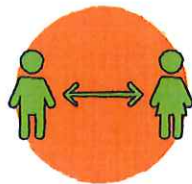

GUIDED BY GODDARD

Dear Families,

At The Goddard School[®] our goal has always been to provide a safe, fun and consistent environment so learning can happen every day. As our community transitions to a new normal, we recognize that many families are looking for additional support for their elementary-aged children to help bolster the virtual school experience.

School-Age Support, our newest supplemental program, provides personalized, full-day support for children up to grade 5 who are engaged in virtual learning. With School-Age Support, students get all the benefits of being in a classroom environment while still participating in their school's distance curriculum, including:

Small class sizes

**Personalized attention
and educational
guidance from skilled
Goddard School teachers**

**A range of enrichment
programs and physical
activities**

**Homework
support**

**Daily transparent
communication with
parents**

**The clean, safe
environment that
Goddard School families
know and trust**
