 “The World is Changing”

JULY 2022

Theme	Monday	Tuesday	Wednesday	Thursday	Friday
 Passport Around the World					1 The children will choose a famous art piece and use their imaginations to recreate their own version of the art pieces.
 Road Trip U.S.A.	4 Closed Independence Day Observance 	5 To discover more about the animals found in the United States, the children explore with animal puzzles. WATER DAY	6 Because there are many different symbols that represent America and the states, the children will play a Memory Game where they match the American Symbols together.	7 During dramatic play, students will plan out their “trip”, thinking ahead to what they may need in all the different climates that are found in the US.	8 The children will build with the Legos that are the same colors found on the state flags. 
 The Great Outdoors	11 While exploring outdoors, white puffy clouds can fill the sky. To represent the clouds, the children will explore with cotton balls to develop their sense of touch and sight.	12 WATER DAY 	13 The children will be practicing different yoga poses outside on the playground!	14 Amy will be stopping by to read “A Girl with A Cape”. 	15 Using various items from nature, the children will work on letter familiarity by working with a “Nature Alphabet”.
 Epic Explorers	18 The children will make models of the Earth’s layers using a variety of different materials. 	19 Because there are many kinds of plants found in nature, the children will use different parts of the plants, like the leaves, stems, and petals to create an art piece!	20 The children will develop their familiarity of triangles, which look like mountains, by filling in dots that are placed in the triangular shape. 	21 WATER DAY Today, the children will discover what an erupting volcano looks like by creating their own using their hands and construction paper.	22 The children will explore how to create their own cave paintings by drawing with white chalk and painting with earth tones.
 Wee Rock	25 Everyone will make their own music using different types of instruments. 	26 DJ Dance & Bubble Party!! 	27 Everyone will listen to different styles of music and talk about them! WATER DAY	28 The children will explore with different objects in their room to see what sounds they make.	29 Using the instruments made earlier in the week, the children will create their own melodies!
