

# ABOUT OUR CAMPS

The Goddard School® • 751 2<sup>nd</sup> Avenue • New York, NY, 10017  
646-809-3555 • GoddardSchool.com

## Camp Theme

### Out of This World

Join us for a summer of space exploration

Every day is an adventure at our summer camp!

Campers will explore the planets, the stars, sun and moon. They will learn about gravity, space travel and astronauts while discovering the magic of STEAM learning through hands-on activities.

## General Information

### Dates

July 1, 2022 through August 31, 2022  
*Camp will be closed on Monday, July 4<sup>th</sup> and Friday, August 26<sup>th</sup>*

### Hours

8:00am-6:00pm

### Ages

3-5

### Enrollment Options

Full time, 5 days/week  
(Monday-Friday)

Part time, 2 days/week  
(Tuesday and Thursday)

Part time, 3 days/week  
(Monday, Wednesday and Friday)

## Special Days

### Coding Mondays

Campers will have a robotics lesson and use Cubelets to create functional robots

### Chess Tuesdays

Campers will participate in a weekly chess class

### Dress Up Wednesdays

Campers will dress to impress! Check the schedule to see what the weekly theme is so that your child is dressed accordingly

### Yoga Thursdays

Campers will practice yoga on the outdoor play space

### Splashing Fridays

Campers will enjoy running through sprinklers and playing at the water tables

## Special Events

### Live Animal Show

The Nature Company will be coming on July 20<sup>th</sup> and August 18<sup>th</sup> for a live animal show. Campers will have the opportunity to see and touch several animals and enjoy an animal themed puppet show.

### Mad Science Show

Mad Science will be coming on July 13<sup>th</sup> for a “bubbling potions” show! There will be demonstrations involving dry ice as we explore the science behind this amazing frozen gas.
