with Goddard

Dear Friends and Families,

Summer 2025 is just around the corner. We are excited to announce that the Summer Camp theme this year is **Study Abroad: Passport Around The World!**

Summer Camp at The Goddard School of Bethlehem offers an incredible journey of exploration, imagination, and hands-on learning. Year after year, our School-Age Summer Camp has been celebrated as one of the best in the area, providing unique enrichment opportunities, special events, engaging visitors, and exciting field trips for children 5 years and older.

This summer, we will embark on a global adventure as we explore the rich cultures, traditions, and stories from different parts of the world. Children will experience art, literature, music, and movement inspired by diverse countries while engaging in STEAM activities that spark curiosity and creativity. Through hands-on play and exploring rich histories, each week will inspire a sense of wonder and global awareness.

For our **Preschool and Pre-K campers**, we'll dive into fun and meaningful projects that connect them with the world around them. Whether it's following the journey of a piece of fruit from our garden to our tables, creating vibrant art inspired by various countries, or discovering new music and rhythms, every activity will build essential skills and foster a love of learning. Outdoor play and group games will further promote social-emotional growth and encourage friendships along the way.

Even our littlest learners (**Infants and Toddlers**) will be joining the fun! Through sensory-rich activities, they'll explore themes of family, community, food, and hobbies from around the globe. Every activity is thoughtfully designed to spark curiosity, build connections, and support development in a safe and nurturing environment.

As always, our summer camp wouldn't be complete without opportunities for family involvement, fun visitors, and exciting field trips. From trips to Crayola and the DaVinci Center, to special events like our end-of-summer Luau and our Birthday Sock-hop, this summer promises to be one to remember!

Be sure to check the enclosed brochure and calendar for a full list of events and activities.

We can't wait to take this journey with your family. Here's to a summer of learning, laughter, and adventure!
