## SPLASH DAYS!

Splash Day Rules:

1. Come in swim attire
2. Send a change of clothes
3. Wear swim shoes
4. Bring a towel
5. Label everything!

Note: If your child does not have the items required they will be unable to attend splash day and will be given an alternate activity.

## DRESS UP FUN

Children are encouraged to attend school dressed following the weekly theme! We are excited to see Superheroes, Circus acts and even World Explorers!

## MAKE AND TAKE

Children will have the opportunity to dive into exciting crafts and hands-on activities that encourage exploration and discovery. From building unique objects to unleashing their artistic talents, there will be something for every child to enjoy.

At the end of each week, your child will proudly bring home their creations to add to their summer collection. These projects will not only serve as mementos of their summer adventures but also as reminders of the skills and creativity they've developed along the way.
