HELLO, SUMMER!

Summer with Goddard is an exciting program with lots of outdoor play and fun learning experiences!

It is an extension of the school year curriculum that keeps children engaged and active with a familiar routine and teachers they love!

Your children will have fun playing and exploring as teachers provide meaningful learning experiences.

They will explore materials and engage in activities to help them acquire new skills, build confidence, and ignite their natural curiosity.

SPLASH DAYS

Splash Days are on Tuesdays and Fridays. Water play is a fun sensory experience for the children to enjoy on the playground during their designated outdoor time in the morning.

Please send your child to school dressed for water play, including closed-toe water shoes. Please pack a change of clothing and shoes, as well as a towel.

SPECIAL VISITORS

Your children will enjoy a variety of special visitors.

Events take place in our fitness room, where the classes combine to enjoy a show. There will be music, singing, dancing, puppets, and more!

Please complete and sign the Waiver for the Foam Party. It is required for child participation. Thank you!

SUNSCREEN POLICY

Please apply sunscreen to your child in the morning. With written parental permission, we may apply sunscreen in the afternoon for outdoor play.

Sunscreen products should either be a lotion or in a pump-style dispenser. We are not permitted to use aerosol products with children. Thank you!
